

BCFR Program Name: Life & Work Connections

CARF Accreditation	Community Integration
Provided Services	Community Integration – Individual/Small Group Community Integration – Transition Network Classes
Population(s) served	Individuals served by BCFR who aspire to live and work in the community, from transitioning teens to adults, are eligible for services. Service priority is given to individuals not served in the Medicaid Waiver, transition age youth, and individuals who are at risk for abuse, neglect, or exploitation and out-of-home placement.
Settings	Based on preferences of persons served – including natural homes, BCFR office, and locations in the community conducive to experiential learning.
Days / Hours of services	Service provided around preferences and availability of participants.
Frequency of services	Varies – based on needs identified in the individual plan and authorization for services.
Payer sources	BCFR
Fees	Department of Mental Health (DMH) Standard Means Assessment is applied.
Referral sources	Support Coordinators make referral based on expressed needs of individuals/families. Columbia Public Schools, families, service providers and others sometimes recommend referral.
Medication Monitoring or Administration	No
Description of services	<ul style="list-style-type: none"> • Community Integration Individual/Small Group Learn about Community Integration Services – individual and small group skills training. <p>Staff provide skills training and support to adults living on their own or who aspire to live on their own.</p> <p>Staff help link participants with resources and make connections in the community that help them build social capital and access natural supports.</p> <p>Using LifeCourse tools developed by UMKC's Missouri Family to Family, staff supports individuals in mapping self-determined trajectories to “the good life”.</p> <ul style="list-style-type: none"> • Transition Network Learn about Transition Network - group learning in community-based settings. <p>Through Transition Network, staff teach classes in various community locations including schools, aimed at helping people transition to greater independence and productivity.</p>
